COVID-19 VIRUS UPDATE

March 16, 2019

Dear Families and Staff:

We continue to monitor the situation with the COVID-19 virus outbreak in our city and nation. In all our decision making, we are consulting guidance from the Department of Health and our city and state partners.

After today's announcements from our mayor and governor as well as an honest assessment of our staff availability and health concerns, we have decided to keep both our facilities and all programs closed through Friday, March 27, 2020.

Throughout our period of closing, we will continue to update families through our website (www.springgardenacademy.org) and social media sites (twitter, facebook, and Instagram). We will also leave information on our phone answering machines. We encourage you to keep connected.

We understand how difficult this time may be and are committed to helping families find needed resources. One of our team members will be calling each family to check in at least twice a week. If you have a need, please leave a message at 215-563-9192 or 215-226-1000. We will check voice mail daily. You may also contact us at info@springgardenacademy.org. Also, please let us know if you have contracted or been exposed to COVID-19.

We, as a leadership team, are committed to keeping your children and our community safe. We also will be praying for the health and safety of us all during this time. Please feel free to reach out to me or a director with any questions or concerns.

Sincerely,

Candace Wegner
Executive Director/ Principal
